Dear Joanne,

Here is a brief testimonial for your web site:

“We found working with the team at the Dominion Plaza a wonderful experience. They are professional, yet approachable; their team is very knowledgeable and has made us feel very welcome to the property. We have been tenants since August 2010 and are very pleased with our decision to lease at Dominion.”

I trust that this will serve your need. If there is any other information we can provide, please do not hesitate to contact me.

Sincerely,

Jeff Byrd
