Dear Sir or Madam,

I am writing to let you know how pleased we are with our relationship with Dalfen. Altronic Controls presently resides at the Firewheel Commerce Center on Crist Road in Garland, Texas. Dalfen personnel have been hand in hand with us through the entire process of building out the internal structure through today. I have found Rhonda, Joanne and Bart to be very easy to work with and responsive to my questions or needs. Certainly if you are looking for a leasing option for your business, I would certainly recommend Dalfen.

Regards,

Robert Jones  
Operations Manager  
Altronic Controls
