To whom it may concern.

As an investor with Dalfen America Corporation, I find it refreshing to read the detailed and accurate reports and updates.

The results speak for themselves as I look forward to my third venture in Ashrei (III).

I can sincerely say that Murray Dalfen understates not only his ability but his impending results. I am equally impressed with the feeling of confidence that envelops this investment.

A handwritten signature in black ink, appearing to read 'Morrie Neiss', with a large, stylized initial 'M' and a long horizontal flourish extending to the right.
